ST GEORGES EVERTON

ADVENT & CHRISTMAS

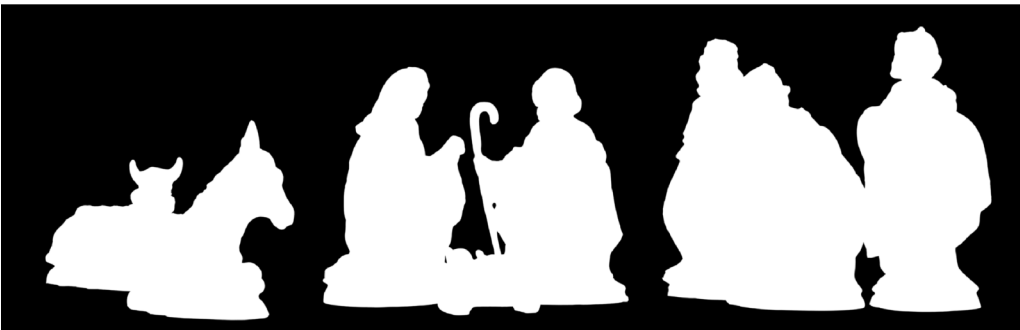

HELLO!

Christmas is fast approaching which can bring both feelings of excitement and dread. In our world of 'on-demand' entertainment the excitement of waiting is increasingly rare so the anticipation of Advent is something to treasure. Likewise, the prospect of Christmas can fill us with fearful anticipation too, whether that's anxieties over money or relationships or grieving the loss of a loved one.

However you're feeling, the good news is that the real Christmas story is about a God who was born into a family in difficult and anxious times and brought love, laughter and light into the darkness of the world. Christmas is more than just an exciting season and a heart-warming story it is about an encounter with God— a God who knows what it's like to be human. At St George's this Christmas, we'll be asking God to meet us where we are. Excited or scared, join us at one of our services or events this Christmas!
