

Physical Education at The Beacon CE Primary

The Beacon's Mission Statement is 'Learning together, following Jesus'. We feel very strongly that learning together in PE is very important. We expect all children to wear the school PE kit and all of our staff who teach or support in PE lessons wear the school kit too.

Our PE Curriculum:

A wide range of PE is delivered to the pupils, which aims to engage and inspire all pupils. We are fully committed to ensuring that all pupils receive 2 hours of high quality well planned PE per week, delivered by confident and well trained staff. We have an up to date PE Scheme of work to reflect the requirements of the New National Curriculum.

Partnership Work / Competitions:

Our school contributes to the Liverpool School Sport Partnership (LSSP), which includes 38 Primary schools, 7 secondary schools and 2 special schools. As part of the LSSP staff access expert Continuing Professional Development.

As well as our regular PE lessons, specific subject days are held:

- A fun run is held annually with the Horizon network where parents are invited to assist in promoting a healthy life style to the pupils.
- Intra/inter school competitions.
- Beacon Swimming Galas for KS2 at Everton Park Sports Centre
- Annual sports days for EYFS, KS1 and KS2.

Participation:

The school is keen to provide a wide range of extra-curricular clubs for pupils. The clubs are delivered by both school staff and sport coaches. For example, Liverpool Football Club provide a weekly football club. We monitor participation and check uptake against gender, SEN and disadvantaged children.

More Able:

Talented children are signposted to local clubs e.g. athletics, football, gymnastics

We also run a weekly after-school club that specifically targets more able children and aims to further enhance their skills.

Sports Premium

Swimming

Each class from Reception to Year 6 rotate around the 6 slots (2 Monday, 4 Friday) of swimming we have each week. We have focussed on swimming to promote stamina, water safety and confidence. There is an expectation that all children can swim at least 25m by the end of Year 6.

Summary Costs:

The aims of our spending are to:

1. Provide additional opportunities for Reception and KS1 to swim to improve skill levels at the end of KS2.
2. Develop fitness and well-being through the participation of expert coaching sessions.
3. Provide opportunities for pupils through after school sports clubs.
4. Develop sporting excellence by providing targeted extra-curricular clubs.

Sports Premium Funding	Cost	Potential Impact	Impact/Evidence so far
