

# Paul Delaney

A former primary school teacher, Paul Delaney is now an author and performance poet, working in schools all over the UK and Europe. He's also 'Writer in residence' at MCA, or the 'Manchester Communication academy' in Salford, England. Paul has written and published seven books so far, four stories and three volumes of children's poetry. He's currently working on his first adult book too, a romantic comedy! If you like funny stories with a twist, check out these titles below:

# Cows go moo!

Cows go **moo!** Sheep go **baa!**  
Dogs shove their heads out of **people's** cars.

Pigs go **oink!** Hens go **cluck!**  
Cats climb trees but often **get stuck!**

Birds go **tweet!** Owls go **hoot!**  
Hamsters store nuts and are **rather** cute.

Mums go **'NO!'** Dads go **'Ask your mum!'**  
And bees say nothing; they **simply** hum.
