

Vocabulary

tint	a shade or variety of colour
tone	the brightness, deepness, hue or shade of a colour
light/dark	Chiaroscuro' helps create the illusion of 3D on a flat surface
stroke	the mark made by a paintbrush
impasto	thickly applied paint
dabs	pat, press, blot
abstract art	a type of art that does not accurately present visual reality but instead uses shape and colour to achieve effect
tonking	removing excess oil or paint from canvas; blotting, dabbing

Each segment of the colour wheel represents a "colour family"

The primary colours are red, yellow and blue; you cannot mix these yourself.

By mixing primary colours, you make secondary colours - green, orange and purple.

Sean Scully uses stripes and blocks of primary and secondary colours. He is an abstract artist.

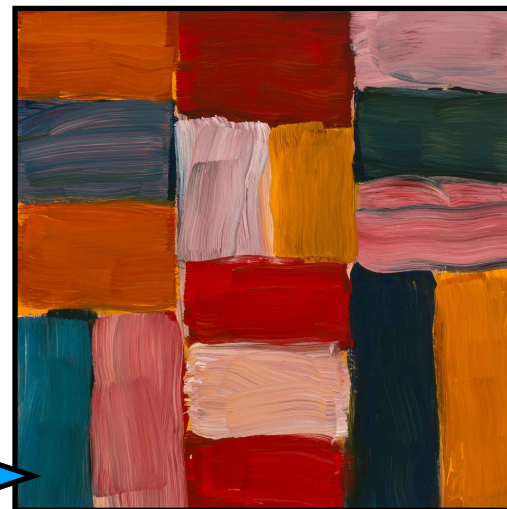

A painting by John Constable

A painting by J.M.W. Turner

John Constable, J.M.W. Turner and Vincent Van Gogh are very famous artists, recognised particularly for how they painted the sky.

They each used different styles different techniques!
