

Science Long Term Plan 2024-2025

Year	1	2	3	4	5	6
Christian Value	Thankfulness	Trust	Perseverance	Justice	Service	Truthfulness
EYFS	<p><i>Exploring Autumn</i></p> <p><i>Human Body: Discovering the 5 senses</i></p> <p><i>Animals: From Minibeasts to Dinosaurs</i></p>	<p><i>Light and Dark</i></p> <p><i>Exploring the night sky and planets</i></p>	<p><i>Recycling and taking care of our world</i></p> <p><i>Exploring what rubbish does to our environment and animals</i></p>	<i>New Life and Life-Cycles</i>	<p><i>Conservation and Plastic Pollution in the ocean</i></p> <p><i>Materials: floating and sinking through boat building</i></p> <p><i>Exploring metallic and non-metallic objects</i></p>	<i>Planting and Growing through the life cycle of a bean</i>
Year 1	<i>Plants</i>	<i>The Human Body: 5 Senses</i>	<i>Everyday Materials</i>	<i>Animal Groups</i>	<i>Animal Diets</i>	<i>Seasonal Changes</i>
Year 2	<i>Growing Plants</i>	<i>Materials and their uses</i>	<i>Animal Needs</i>	<i>Local Habitats</i>	<i>Habitats and Micro-habitats</i>	<i>Food Chains and Health</i>
Year 3	<i>Structure and Function of Plants</i>	<i>Lights and Shadows</i>	<i>Rocks and Fossils</i>	<i>Animals and Humans</i>	<i>Forces and Magnets</i>	<i>Bee project</i>
Year 4	<i>States of Matter</i>	<i>The Human Body:</i>	<i>Sound</i>	<i>Classification of Living things</i>	<i>Electricity – Simple Circuits</i>	<i>The History of Science</i>

Science Long Term Plan 2024-2025

		<i>Digestive System & Teeth</i>				
Year 5	<i>Properties and Changes of Materials</i>	<i>Earth and Space</i>	<i>Forces and Movement</i>	<i>Life-Cycles and Reproduction</i>	<i>Living things and their habitats Classifying living things, Life cycles of mammals</i>	<i>The Scientific Method</i>
Year 6	<i>The Human Body: Circulatory System</i>	<i>Light and Seeing Things</i>	<i>Electricity – Complex Circuits</i>	<i>Evolution and Inheritance</i>	<i>Living things: Further Classification</i>	<i>Preparing for Secondary Science</i>
