

WELCOME TO THE TABLE CLUB

As part of our school's vision of "Learning Together, Following Jesus", we want to give the opportunity for children at The Beacon to come learn about and receive Holy Communion. Holy Communion is something that Jesus commanded his followers to continue and is one of the most special acts of worship we can take part in as Christians.

Each year, we run an after-school club called "Welcome to the Table". In this club Rev. Adam Maynard, Vicar of St George's Church, teaches the children about Communion and together they explore the story behind it. The children also reflect upon their own place within the story and are invited to receive Communion at a special service at the end of term.

All children, from Year 5, are welcome to attend the club and Holy Communion is optional.
