Dear parents/carers,

This year we are continuing to use the Seesaw digital platform to share work between home and school, to set homework and to provide blended learning opportunities in light of the current Covid 19 situation.

Seesaw is a simple way for teachers and students to record and share what's happening in the classroom. Seesaw gives students a place to document their learning, be creative and learn how to use technology.

Each student gets their own journal and will add things to it, like photos, videos, drawings, or notes. These can be viewed and added to at home.

For families who used Tapestry in Reception, Seesaw works in a similar way.

You should have received log in details in a letter from your child's class teacher. If you need these again, please contact us.

STEP 1: Go to app.seesaw.me or Download the Seesaw Class App for Your Child from the Apple or Android app store

Your child will use the **Seesaw Class app** for home learning. (This is different than the Seesaw Family app.)

✓ **Laptops + Computers:** Visit app.seesaw.me

✓ **Tablets + Mobile Devices:** Download or update the Seesaw Class app in your device's app store. If you already have the app, make sure it is updated

STEP 2: Help Your Child Log In to Seesaw

Click 'I'm a Student'

Log in as directed by your student's teacher or school:

✓ Your child may log in with an email address, Google account, or Clever badge

✓ Your child may log in with a Home Learning Text or QR Code
