

## Easter Praise

Mary Mary don't be sad  
We've got news to make you glad  
Even in our darkest hour  
We have seen God's mighty power

### CHORUS

God has rolled the rock away.  
He has rolled the rock away  
There's no body where Jesus lay  
He has risen on Easter day.

God has rolled the rock away (Rock and Roll)  
He has rolled the rock away (Rock and roll)  
There's no body where Jesus lay: (Rock and roll)  
He has risen on Easter day!

Come on, Come on every one  
Sing our resurrection song!  
Altogether voices raised,  
Join us in our Easter praise

God has rolled the rock away  
He has rolled the rock away  
There's no body where Jesus lay  
He has risen on Easter day

God has rolled the rock away (Hallelujah)  
He has rolled the rock away (Hallelujah)  
There's no body where Jesus lay  
He has risen on Easter  
Risen on Easter  
Risen on Easter  
Risen on Easter day

Yeah !!!!
